

# SYMMONS® Sereno™

the smart choice™

With its contemporary design and its streamlined, minimalist look, the Symmons Sereno™ demonstrates an exquisite union of harsh straight lines and soft serene curves. This tub and shower system offers a splendid solution that will satisfy both masculine and feminine tastes. Every Symmons Sereno™ tub and shower system features the legendary Symmons Temptrol® Pressure-Balancing mixing valve. Constructed of solid brass, bronze and stainless steel, and featuring a piston that adjusts automatically to instantly and continually equalize or “balance” the hot and cold water pressure as demands are made elsewhere in the plumbing system. Symmons Temptrol® puts an end to “Shower Shock” and provides a safe, comfortable shower every time.
